Good Morning Kenneth

Wanted to thank you personally again for coming over to share your journey with 'multiply' with myself and my teachers, in addition to your gracious opening up of your multiply site for our use. We do hope to be able to reciprocate with the sharing of resources subsequently.

Thank you
 Shirley

Dear Mr. Lim,

We would like to thank you for allowing Mr.Kenneth Wee to come to our school to share on 'Multiply' on 2 July. Our English Department teachers found the sharing interesting and beneficial especially for H1N1 situation.
